***Tuition** - LLM Programs are typically designed to be completed in one academic year. Students are charged per credit at the rates shown above and the annual amount is capped at \$49,500 if completed in one academic year. Students are initially budgeted evenly (as illustrated above) based on the annual credit amount. Adjustments are made depending on number of credits actually taken each semester.

****Transportation** – A one-time charge for a Parking Decal is included evenly in this component. An annual parking decal is charged during the Fall Semester only. The Transportation component will vary per student

based on their self-reported "home" state. Florida residents are represented in the above budget breakdown.
*****Room** – With Parent/Relative students are not allotted a room component.
